Intelligence is my Claim #1 - Supporting Facts - Tell your story briefly without citing cases or law. On March 17, 2016

The Central Classification Service, CCO David Robinson, Gail R. Jones and Sussex I state prison warden David Zook and operations officer M. Foster and Rick White did scheme & falsify documents denying me Due Process of the 5th U.S.C.A when I was denied to be present at my ICA hearing for a security level increase and transfer that was supposed to have been held on March 17, 2016

Discrimination is my Claim #2 - Supporting Facts - Tell your story briefly without citing cases or law. On March 17, 2016

The Central Classification Service, CCO David Robinson, Gail R. Jones and Sussex I state prison warden David Zook, Rick White and operations officer M. Foster did deny me Due process, depriving me of liberty governed by the 5th U.S.C.A by increasing my security level and transferring me to a higher security level prison, without a ICA hearing, and I do not fit the criteria for a security increase nor transfer

Discrimination is my Claim #3 - Supporting Facts - Tell your story briefly without citing cases or law. For cruel and unusual

punishment violating my 8th U.S.C.A right On March 22, 2016 that was committed by Central Classification Service, CCO David Robinson, Gail R. Jones and Sussex I state Prison warden David Zook, Rick White and operations officer M. Foster by transferring me to a higher security level prison, when I DO NOT meet the criteria to be housed at a security level 5 prison in which is maximum security for inmates with bad disciplinary problems such as behavior and institutional infractions, with 34 or higher security level points, and I have none of the following:

- E. State what relief you seek from the Court. Make no legal arguments, cite no cases or statutes.

I, DeAndre L'Overture Jackson, state that I am the plaintiff in this action and I know the content of the above complaint; that it is true of my own knowledge, except as to those matters that are stated to be based on information and belief, and as to those matters, I believe them to be true. I further state that I believe the factual assertions are sufficient to support a claim of violation of constitutional rights. Further, I verify that I am aware of the provisions set forth in 28 USC § 1915 that prohibit an inmate from filing a civil action or appeal, if the prisoner has, three or more occasions, while incarcerated, brought an action or appeal in federal court that are dismissed on the grounds that it was frivolous, malicious or failed to state a claim upon which relief may be granted, unless the prisoner is in imminent danger of serious physical injury. I understand that if this complaint is dismissed on any of the above grounds, I may be prohibited from filing any future actions without the pre-payment of filing fees.

I declare under penalty of perjury the foregoing to be true and correct.

DATED: May 18, 2016

SIGNED:

Negligence of their operations is my Claim #4, which is a <sup>4</sup>Due Process violation of my 5th U.S. Constitutional Amendment right that was committed on April 4, 2016 by Red Onion State Prison (staff) Unit Manager M. Vounce and Counselor M. Deel when they refused to give me the external documents that supposed to have sent me to Red Onion State Prison from the ICA hearing of March 17, 2016, Also for the fact of allowing me to be housed at Red Onion State Prison while denying to give me an interim review for a transfer to a security level 3 prison, due to the fact that I am lawfully a security level 3 prisoner with 9 security level points and 2 plus years without an institutional infraction, whereas Red Onion State Prison is used to house inmates with 34 and more security level points with the fact that an institutional infraction brought them to be housed at Red Onion State Prison. Vounce and Deel have Breached their Contract(s) of VA operating procedure 830.1 IV A. 2 (ii).

Negligence of their operations is my Claim #5, for the Central Classification Services, CCO, David Robinson, and Sussex State Prison warden David Zook and operations officer M. Foster violating the Virginia Constitution Bill of Rights Article(s) I section(s) #2, 7 and 8 violating my 5th United States Constitutional Amendment of Due Process when they denied me of my liberty and property on March 16, 2016, by taking my external documents in which I am the beneficiary to and have Power of Attorney in fact to conduct and have exclusive charge of all my tax, legal, and business affairs, so that I could receive the benefits from my trust and savings account to pay for my filing fee of my 28 U.S.C. § 2254 AD SUBTICIENDUM Habeas Corpus petition action # 2:16cv55, that was dismissed by the United States District Court of Virginia for the eastern District on May 3, 2016, due to the fact(s) I could not afford and/or have the U.S. currency or means to pay the filing fee.
